

Cover letters

Dear **Hanover Royal Family** ,

dear employees of the **Hanover Royal Family**

**dear military and police habitations
worldwide of the Hanover Royal Family**

Due to the possibility and my competence to be able to apply as a butler at the **Hanover Royal House** I pass my application to you. I aspire to employment as a butler in the **Hanover Royal House** by technical elaboration in every assistant field, and it has always been my ultimate goal to have the right with the pragmatism by nature, also at any time reflect promptly.

As a servant, I am aware of the good reputation of the staff of the **Hanover Royal Family**, and I would happily present myself under and be able to share common and autonomous tasks with such like-minded people.

I am also happy to demonstrate my success so far in terms of personality, independence and integrity.

My special skills are in different areas:

Production preparation, logistics, organization, automation, project management, as well as maintenance of world football satisfaction;

Processing and maintenance of material, assembly, tool, part and machining flow processes;

Personal responsibility, confidentiality, democracy awareness US;

Flexibility, style, closed strategy mobility and planning awareness.
